**RFP-0300221-MPE\_1.2-COB\_1.2 PIPELINE CONSTRUCTION**

**PRICE PROPOSAL DUE: March 18, 2021 BY 2:00 PM (PT)**

**WRITTEN PROPOSAL DUE: March 23, 2021 BY 2:200PM (PT)**

The Willamette Water Supply Commission (WWSS Commission) is issuing a Request for Proposal (RFP) for the construction of the Willamette Water Supply Program (WWSP) section MPE\_1.2-COB\_1.2 pipeline construction.

Only prime contractors that have been prequalified prior to this advertisement, pursuant to RFQ-PGM-0300919 WWSP Pipeline Construction Contractor Prequalification are eligible to submit a proposal in response to this RFP. Interested subcontractors and suppliers are encouraged to contact the prime contractors directly for subcontracting opportunities. The following have been approved as prequalified prime contractors:

Emery & Sons Construction Group  
Garney Companies, Inc.  
James W. Fowler Co.  
Kerr Contractors Oregon, Inc.  
Kiewit Infrastructure West Co.  
Moore Excavation, Inc.  
Mountain Cascade, Inc.  
Pacific Civil & Infrastructure, Inc.  
SJ Louis Construction, Inc.  
Tapani, Inc.

Facsimile or hand mailed proposals will not be accepted. Proposals must be electronically submitted as per the RFP Instructions. Proposers will need to create a free account and sign a confidentiality agreement to access the RFP documents.

Sealed proposals shall be submitted in accordance with RFP documents and must be accompanied by a certified check or Bid bond executed in favor of the Owner in an amount not less than ten (10) percent of the Base Bid total. The successful Respondent will be required to furnish the necessary additional bond(s) for the faithful performance of the contract as prescribed in the RFP.

The Work is located in Beaverton, Oregon. Respondent shall provide all materials, labor, and equipment for the Work which will be described in the RFP documents as complete installation of approximately 14,050 linear feet of 48" welded steel water pipeline, 2,550 linear feet of 24" ductile iron pipe, and 15,450 linear feet of 16" ductile iron pipe. The 48" welded steel pipe work includes two trenchless creek crossings, one trenchless rail crossing, and two trenchless highway crossings (across Hwy 217). The 16" ductile iron pipeline includes a trenchless rail crossing and one trenchless highway crossing. The Work also includes an above-ground WWSP Pressure-Flow Control Facility and distribution system and service connections.

To request a copy of the RFP, send an email to:

Doug Shermack  
WWSP Procurement & Contracts Administrator  
[MPE 1.2-COB 1.2 Construction RFP@docs.e-builder.net](mailto:MPE_1.2-COB_1.2_Construction_RFP@docs.e-builder.net)  
or Phone: (587) 702-5252

Proposers will need to sign a confidentiality agreement to access all the RFP documents.

There will be no Pre-Proposal Conference, and instead Proprietary Meetings may be requested by a Respondent as indicated in the RFP documents.

The work to be performed is for a Public Work subject to ORS 279C.800 to 279C.870 and the Davis-Bacon Act (40 U.S.C. 3141 to 3148).

WWSS Commission reserves the right to reject any and all proposals, to waive informalities, or to cancel this solicitation at any time if deemed to be in the best interest of the WWSS Commission.
