

Scholls Ferry Rd north of Crystal St Construction

Flagging Operation

Scholls Ferry Rd SB lane closure north of Hall Blvd to Crestwood Dr. M-F from 9 am to 3 pm for Willamette Water Supply and City of Beaverton drinking water pipeline installation. Flaggers will maintain two-way traffic using a single lane across the work zone as crews work in 300-foot sections from S to N. Please ensure you and others in your care obey posted signs to protect safety.

Expect:

- Traffic delays & detours
- Auto & bicycle lane closures
- Driveway closures

Limiting trips by carpooling and/or riding the bus is encouraged to alleviate vehicle congestion in the area during construction. Check www.trimet.org for service impacts. Please practice patience.
